**ORDER SUSTAINING TRUSTEE'S OBJECTIONS TO CLAIMS
AND AUTHORIZING TRUSTEE TO DISBURSE PAYMENTS UNDER
CHAPTER 13 PLAN**

Upon consideration of the Trustee's Objections to Claims and Motion for Authorization to Disburse Payments (the "Motion") filed by the Chapter 13 Trustee, the Court hereby GRANTS the Motion according to the following terms:¹

To the extent that the allowed amount shown here reflects full payment of the secured claim pursuant to the plan, the security interest shall be discharged upon payment of the allowed amount and any applicable interest in full. Regarding any secured claim listed here for which the Debtor(s) have proposed that the creditor retain its lien, should subsequent events occur that result in relief being granted from the stay of 11 U.S.C. § 362(a) and liquidation of the collateral, then if that creditor seeks to assert an unsecured deficiency claim resulting from the liquidation of the collateral, that creditor shall move to amend its previously allowed secured claim to reflect the unsecured deficiency.
